

**AMENDMENT TO DRAFT OVERSIGHT PLAN  
OFFERED BY MS. ESHOO**

On page 5, at the end of the section entitled “Climate Change”, insert the following new paragraph:

1       “The Committee will hold hearings to examine each of the  
2 multiple lines of evidence that convince the overwhelming majority of  
3 scientists and scientific organizations that climate change is occurring, is  
4 caused by human activities, and poses substantial risks to the nation’s  
5 public health, environment, economy, and prosperity. Invited witnesses  
6 will include representatives from the National Academy of Sciences, the  
7 National Science Foundation, the Department of Energy National  
8 Laboratories, relevant federal agencies, and the Intergovernmental Panel  
9 on Climate Change.”
